EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey S. Habib on July 12, 2005.

The application has been amended as follows:

In the second line of claims 26 and 27, "24" has been changed to --25--.

2. The following is an examiner's statement of reasons for allowance: In the previous Office action filed March 30, 2005, dependent claim 22 was indicated as containing allowable subject matter. Applicant's amendment filed June 30, 2005 cancels independent claim 21 and rewrites claim 22 into independent form; since all other remaining claims (i.e., claims 25-30) are dependent upon claim 22 and an updated search of the prior art did not yield any other references pertinent to Applicant's claims, it is considered that the application is currently in proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
